THIS WEEK @ ALPHA 2

This week we were buzzing along, now that we are in the rhythm of things. Hartley got the school of rock going with Milo on drums, Audrey on Bass playing "Fire" from video Geometry Dash. Pickle People kept pickling, new pickles were made and old pickles were tested. Shoutout to Milo, Manus and Jeremy who are in pickle production mode. Milo learned that eating a pickled reaper pepper could cause death by spice. Thankfully, we have enough yogurt to put out any spice fires.

Thank you to the parent community for coming in to chat with the mentors about your kiddos Our parent/mentor interview day was a success.
